

INVITATION TO ACM 2020

A National Conference on ADVANCES IN CONSTRUCTION MANAGEMENT (ACM 2020) will be held at Department of Civil Engineering, College of Engineering Pune. The conference aims to bring together engineers, academicians, researchers and other professionals having interest in the field of Construction Management providing an excellent platform to exchange their experiences. Civil Engineering Department, COEP extend a heartily invitation to the delegates for ACM 2020. The conference has technical support and sponsored by TEQIP III.

CONFERENCE OVERVIEW

The discipline of Construction Management has an important role to play towards the construction of sustainable and resilient infrastructure as India embarks on its journey of 21st century. The conference focuses on emerging challenges within the construction management that would shape the future of the infrastructure construction of our country. The goal of the conference is to identify the challenges in the field of Construction Management to find a path forward to overcome those challenges through emerging technologies. Invited eminent speakers will present the outcome of the research carried out in recent times addressing the goal above as well as future direction for research.

IMPORTANT DATES

Abstract submission deadline:

1st December 2019

Acceptance of Abstract:

15th December 2019

Full length paper submission deadline:

1st January 2020

Acceptance of full-length paper with modifications if any: 15th January 2020

Final submission of camera-ready paper deadline: 6th February 2020

Registration:

15th January to 15th February 2020

ORGANIZING COMMITTEE

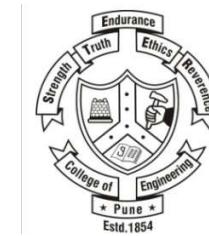

Patron	Shri. Saurabh Vijay, IAS Secretary, Higher & Technical Education Dr. Abhay Wagh Director, Higher & Technical Education
Co-Parton	Prof. B.B. Ahuja Director, COEP
Organizing Secretaries	Prof. Dr. M. S. Ranadive Prof. and Head CED Dr. (Mrs) G. S. Vyas Asst. Professor CED
Organizing Committee	Dr. N. A. Headao Prof. S. K. Dharmadhikari Prof. D. L. Patil Dr. V. D. Katare Dr. V. C. Hulsure

For Correspondence:

Hemantkumar Hadole

Venue: Civil Engineering Department,
COEP

TEQIP-III Sponsored National Conference On ADVANCES IN CONSTRUCTION MANAGEMENT

CONFERENCE THEMES

- BIM and Software applications
- Formwork
- IoT in construction
- Quality management
- Risk management
- Safety management practices
- Sustainable construction materials and practices
- Underground structures
- Legal aspects in civil engineering
- Advanced optimization and construction techniques
- Labor productivity
- Construction equipments
- Project management
- Any other relevant topic

Organized by
Civil Engineering Department
College of Engineering, Shivajinagar, Pune-411005,
Maharashtra, India

REGISTRATION

Fee

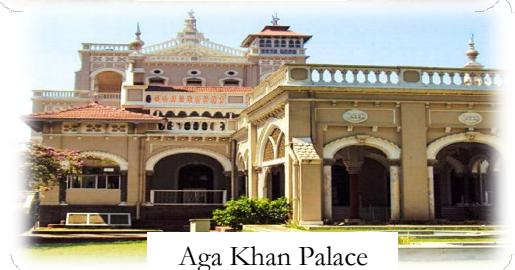

Participant	Fees for Conference (Rs.)	
	Before 15 th Feb 2020	After 15 th Feb 2020 or On-site
Students/ Research Scholars	Rs. 1000/-	Rs. 1200/-
Faculty Members from Academic Institutes	Rs. 3000/-	Rs. 3500/-
Delegates from Industries and R&D	Rs. 5000/-	Rs. 6000/-

Shaniwarwada

Sinhagad Fort

Aga Khan Palace

PAYMENT OF REGISTRATION FEES

Payment is accepted only through DD in favor of "Director, College of Engineering Pune" payable at Pune. Registration fees include conference material, breakfast and lunch.

Note: Authors are requested to submit full length paper (soft copy) and scanned copy of registration form to acmcoep2020@gmail.com

CALL FOR SPONSOR / CO-SPONSOR

This national event is likely to be sponsored by TEQIP III. However, industries are also invited to sponsor this major event and to participate in the conference.

Sponsorship Fee	No. of Free Delegates
Rs. 20000	3
Rs. 30000	5
Rs. 50000	10

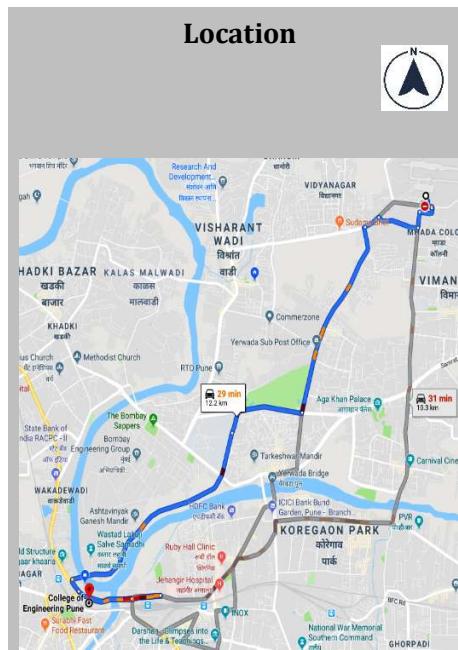

Advertisements are also invited from leading organizations.

ACCOMMODATION

Outside participants are requested to make their own arrangements.

ABOUT COEP

College of Engineering Pune (COEP), one of the oldest engineering colleges in India, was established in the year 1854. It is a premier engineering institution in the country and is consistently ranked very highly by various independent surveys on Technical Education in India. It is the Lead Centre under the Technical Education Quality Improvement Programme (TEQIP) assisted by the World Bank. The institute has around 3500 students on roll pursuing undergraduate, postgraduate and doctoral education in various disciplines.

ABOUT CIVIL ENGINEERING DEPARTMENT

The Department of Civil Engineering established in 1854 has the distinction of being the oldest department in the institute. It has set up a great tradition of producing distinguished engineers such as Bharat Ratna late Sir. M. Visvesvarayya who through his countless works is synonymous with Civil Engineering. Even after completing its sesquicentennial anniversary, the department has kept updating to well-equipped laboratories and research. The faculty believes in high quality teaching and is very active in projects, conferences and research publications. The department offers consultancy in various fields of Civil engineering to reputed government and private sectors.

Department also offers Post Graduate and Doctoral Programs in the following areas:

- Construction Management
- Environmental and Water Resources Engineering
- Geotechnical Engineering
- Structural Engineering
- Town and Country Planning

The department has recently started Post Graduate Diploma in Rail and Metro Technology.

The major strength of all the respective fields are it handles number of consulting, testing, and research work.
